

Maui Jim Sunglasses can help to make your event something that your participants will remember. Effortless. That's the best word to describe a corporate event with a fully staffed Maui Jim custom fitting station. We come to you with a range of the world's best polarized sunglasses, along with displays, mirrors, banners, literature and trained fitting specialists. The excitement begins as we help attendees find the perfect style. Classic. Sophisticated. Retro. Wrap around. Aviator. Cutting edge. Sport. We have them all and each features the Maui Jim patented Polarized Plus lenses for the ultimate protection without compromising brilliant colors.
